

DARLINGTON

PRIVATE SHOPPING EXPERIENCE

Should your group run a Darlington Gift Card Fundraising Program, we are offering a Private Shopping Experience for your supporters at Darlington Holiday Warehouse.

WHAT'S A PRIVATE SHOPPING EXPERIENCE?

It would be a day in September when ONLY you and your group's Gift Card Buyers would have access to the Darlington Holiday Warehouse.

- **Pre-opening Access**
You and your group would have access to the store weeks before we open to the general public
- **Private**
Only you and your group would have access to Darlington Holiday Warehouse on your specified day
- **Easy**
No crowds, no rush, no pressure
- **Too Fun**
During your Private Shopping Experience, Darlington Holiday Warehouse and our staff is...**YOURS**

AND...along with the profits from gift card sales, your group would receive an additional 10% of the sales generated during your Private Shopping Experience.

YOU NEED TO KNOW

- Because your Private Shopping Experience would be in September, the store would not be stocked with most of our normal **edible** items. We estimate that at least 85% of our total offerings would be available for your experience.
- We are only able to accommodate a limited number of groups, so reserve your Private Shopping Experience SOON!
